Getting started

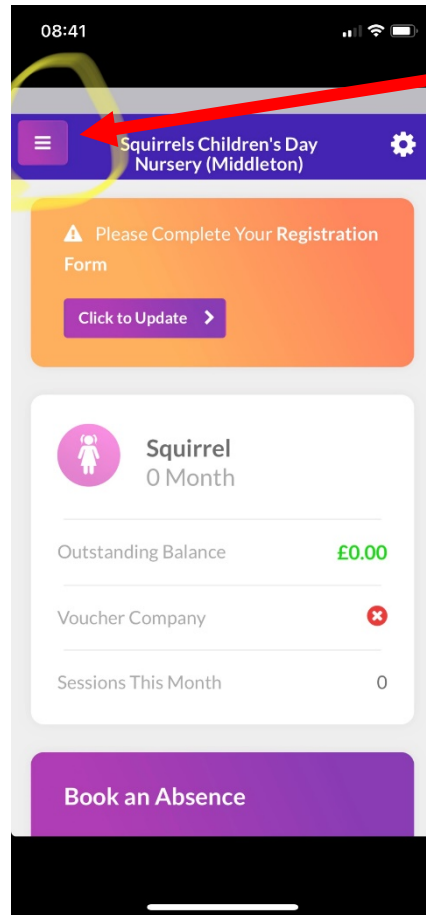

Sign into the app using your email address and password (reset the temporary password sent to you via email when you first sign up)

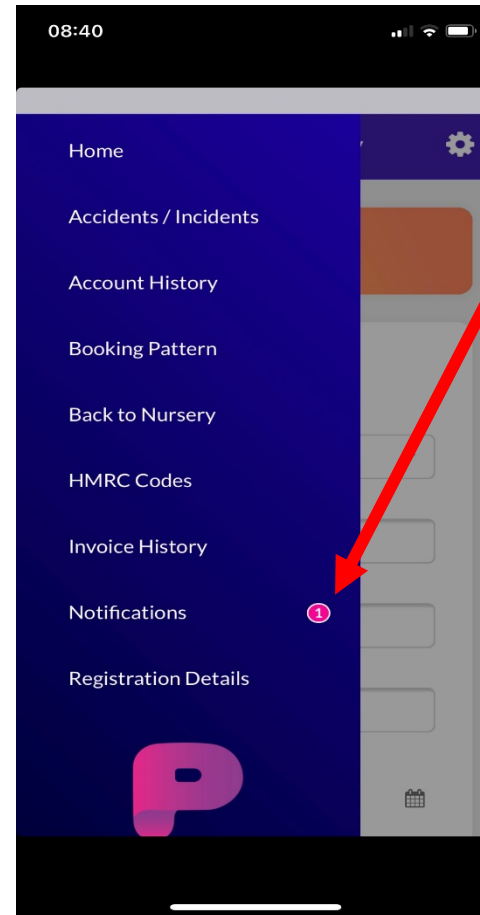

Once you are signed in update your details

Navigate through the menu

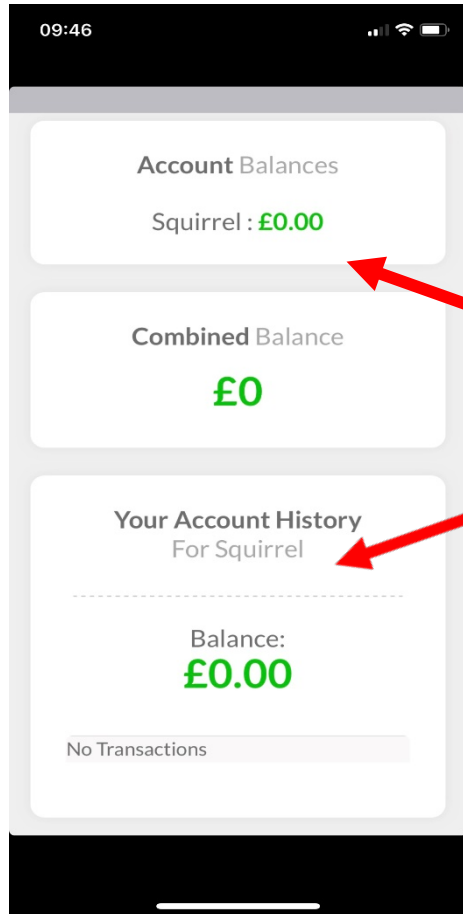

Use the three lines on the top left to find the menu to navigate through

Regularly check your notifications, we send you very important messages and updates

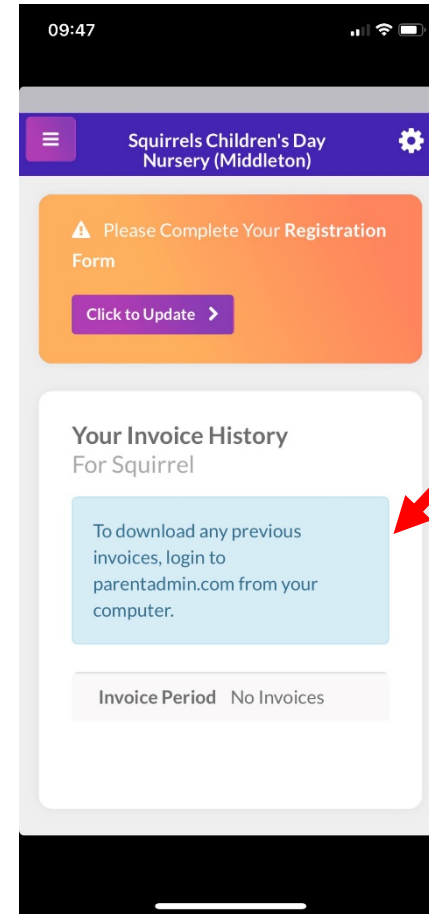

Account history, balance and invoices

Navigate through the menu and you will find your account history. It will show you your current balance and payments that the nursery have received.

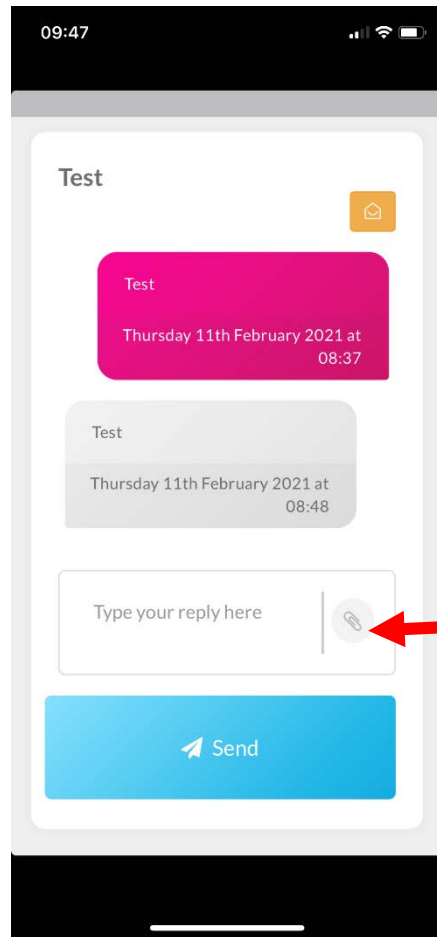

You will be sent an invoice via email (check spam and junk mail, move to inbox) at the beginning of each month for sessions booked in for that month.

Your account balance needs to be cleared at £0.00 by the end of each month.

You can download and view any previous invoices from the desktop, login to parentadmin.com

Communication, notifications and messages

It is very important that you check your notifications and messages daily.

We will send you messages, letters and updates.

You can reply, send us messages and send us photos and letters too by attaching the document here.
